Happy Halloween

Are you looking for something fun to do this Halloween? Here's our top three spooktacular events to get you started.

Ride the Ghost Train

The Epping Ongar Railway is offering a boo-tiful ride on a steam train from Thursday 27 to Sunday 30 October. During the journey, watch out for spooky characters on board who will scare and entertain in equal measure. On arrival at Ongar, look out for the ghosts as you follow the ghost hunt, and admire the gruesome graveyard. There are bus stops on Epping High Street that can take you to your departure platform in North Weald.

Services 94/94A and 336 to Hallowell Down bus stop and a short walk will take you there.
